Computer programing assignment

Ayan Polra

21 August 2025

1 Minutes to Hours
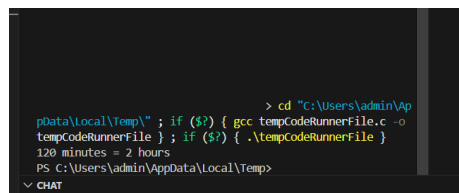

```
#include <stdio.h>

    int main()
    int minutes;
    int hours;
    minutes = 120;
    hours = minutes / 60;

     printf("%d minutes = %d hours", minutes, hours);

    return 0;
```

2 Output
